

SOFABAND

Pepe Tanzi

Una struttura in legno di abete. Molleggio delle sedute e degli schienali con cinghie elastiche. Imbottitura in morbida schiuma poliuretanica ad alta resilienza realizzata con quote differenziate fasciate con falda acrilica. Una lamina scatolata in metallo stampato cromato per i braccioli incornicia la base. I rivestimenti sono completamente sfoderabili.

Frame in fir-wood. Spring suspension of seats and backs by means of elastic belts. Upholstery in soft, high resilience polyurethane foam with different thickness and wrapped with acrylic fibre layer. A box sheet in chromium-plated pressed metal frames the base of the arms. The covers are completely removable.
