

SIMPLICIO 2015

Centro Studi

Struttura portante in tubolare d'acciaio profilato a freddo elegantemente smaltato nei colori moka, giallo e azzurro. La seduta molleggia su cinghie elastiche. Cuscino seduta e schienale in morbida gomma poliuretanica ad alta resilienza realizzata con quote differenziate con fasciatura di falda di fibra acrilica. I rivestimenti sono completamente sfoderabili.

The supporting structure is made of tubular cold steel profiles elegantly enameled mocha, yellow and blue colors. The seat springs on elastic belts. Seat and back cushions in soft high resilience polyurethane foam made with different thickness and wrapped with acrylic fiber. Covers are fully removable.
