

TROLLEY

Centro Studi

Struttura in metallo. verniciata con polveri epossidiche di colore bianco, dotata di piedini con rotella incorporata. Schienale in legno stratificato di faggio, reclinabile in più posizioni che funge da sostegno al cuscino schienale o ai volanti di varie misure. Rete con doghe in legno e materasso alto 12 cm in morbida gomma poliuretanica ad alta resilienza realizzata con quote differenziate con fasciatura di falda di fibra acrilica. I rivestimenti sono completamente sfoderabili sia nella versione a cuffia che a busta.

Structure in steel, with epoxy varnished in white color, with feet built wheel. Backrest in laminated beech wood, reclines to more positions serves as a support for the back cushion or for the loose cushions in various sizes. Slatted wood and mattress in soft high resilience polyurethane foam made with different thickness and wrapped with acrylic fiber. Covers are fully removable to both the hood version that the envelope version.
