

QUARTO 2014

Pepe Tanzi

La struttura perimetrale è in pannello di legno stratificato; l'imbottitura è in morbida gomma poliuretana ad alta resilienza realizzata con quote differenziate con fasciatura di falda di fibra acrilica. Costruzione in tubo mobilio ad alta resistenza verniciato a polvere epossidica colore bronzo, rete a maglia elettrosaldata che accoglie materasso in poliuretano espanso. I rivestimenti sono completamente sfoderabili.

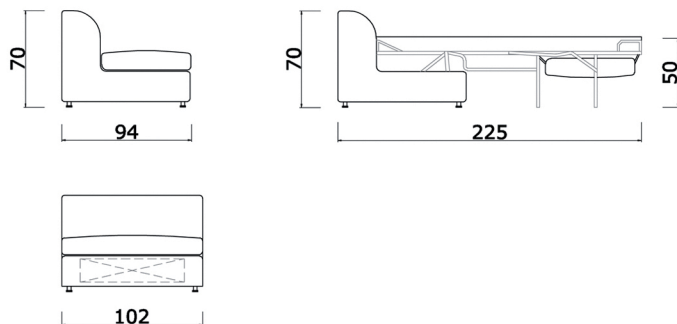

The perimetric structure of the sofa is in multilayer plywood; the upholstery is in high resilience soft polyurethane foam with differentiated thickness and wrapping in acrylic fibre lap. Mechanism in high resistance cold rolled steel tube bronze epoxy varnished, orthopaedic weld mesh accommodate a mattress in polyurethane foam. Covers are fully removable.

Si consiglia di completare il divano con i cuscini volanti per renderlo più confortevole
It's recommended to complete the sofa with cushions to make it more comfortable
